A history of the Bergthaler Mennonite Church of Manitoba starting with its background in Europe and continuing with its development in Canada. The Bergthaler Mennonite Church of Manitoba was one of the founding denominations of what became Conference of Mennonites in Canada (later known as Mennonite Church Canada).

Henry J. Gerbrandt. *Postscript to Adventure in Faith* (1986) \$2.00

This booklet traces the story of the final years of the group of Manitoba congregations collectively known as the Bergthaler Mennonite Church after the 1967 Central Brotherhood meeting decision "to discontinue the one central elder (bishop) system and authorize all local leaders to be ordained to serve communion and baptize". At the end of this period, the congregations of this group were all independent churches.
